

## Affidavit of Facts and Request For Proceeds

Date: December 28, 2023

To:

I have learned that this alleged Court that heard my case/cause/claim against me, the living soul, is not really a court as per the Constitution of the United States of America, (not an Article III Court), but rather a military tribunal under Admiralty Jurisdiction and is being operated as a private, for profit corporation listed on Dun and Bradstreet.

I have learned of the fraud that goes on behind the scenes of these alleged civil cases (which are all civil), civil claims in equity, and the steps taken to securitize these civil claims without giving full disclosure to the people. I am hereby letting the court know that I am opting out of any contract and do not allow any documents regarding me or my cestui que trust to be securitized and sold to any investors, etc. As you are fully aware, the fraudulent process is as follows: All cases are civil, though often fraudulently called criminal. The courts are operating under trust law, assuming the Defendant and Respondent is a decedent (dead person). After finding the alleged Defendant guilty, the court clerks sell the judgments to the Federal Courts. Since the Defendant and/or Respondent is a decedent, presumed to be a ward of the court, incompetent and of unsound mind, the court officials consider themselves as a beneficiary as the powers that be have concocted a reverse trust scheme on we the people, who are supposed to be the beneficiaries because we are the actual creditors.

I, the living soul, never stated a claim that I understood that I was liable for the bond. I am not responsible for the bond of this case, but I did appoint the Judge as Trustee/Fiduciary by way of IRS Form 56 which was placed into the record prior to court and I am the beneficiary of any and all proceeds.

I am aware that the judgments are stamped with a Pay To The Order Of \_\_\_\_\_ on the back and taken to the federal discount window. The judgment now becomes a note. The notes are then pooled together and then become securities, which are yet pooled together and sold as bonds. Said bonds are liens against me, a Defendant in Error. I am also aware that the United States Attorney's Office has a put code number, NAICS (North American Identification Security Classification). Said NAICS number enables the United States Attorney's Office to trade globally all securities. All U.S. Federal Courts are registered with the Department of Defense (DOD), where they are registered then with the Contractor's Central Registration (CCR), under the DOD. Another department called the Defense Logistics Information Service (DLIS) issues a cage code, which means a commercial and government entity, which everything correspond with the

bank account. United States Attorney's Office and Courts have a Duns number. Everything filed into court is securitized without the knowledge or consent of the people or of all parties involved.

The Bank Account is at Federal Reserve Bank of New York, in New York City. The Depository Agreement is signed by the Clerk of the Court. All securities are deposited with the DTC in New York. An Escrow Agent is used as a go between, between the Clerk's Office and of New York. The securities end up being listed through the Seventh Circuit in Chicago, IL and then sent to the DTCC, clearinghouse where they list the securities for trading.

All attorneys/lawyers involved are acting as private debt collectors according to the FDCPA Title 15 § 1692. The BAR Association exempts them from having to be registered as such; however, they operate through call warrants, which are like a put, or a call. They then do margin calling where they convert a case through (Writ of Execution) and use the case number to buy equity securities. Everything filed into court is securitized and turned into negotiable instruments, turning them into securities. These items are sold commercial items, calling them distress debts (Unifund). The items are then pooled together in what is now called a hedge fund, where they are sold globally.

Anytime there is risk management involved, it is for the securities. This is an underwriting company. When the hedge funds are going into the global market, they go through Luer Hermes, a bond holder and underwriting company and subdivision of Alliance SE, of Munich, Germany (Pimco Bonds). After 9 months, all paper is converted to a securities contract. This is defined in Title 15 § 77 (a)(b)(1) and are now considered to be an investment contract. The paper is endorsed to become a security, and the trust is then collapsed.

The courts have an account with the IMF (International Monetary Fund) under Interpol. The Judges involved and the U.S. Attorneys involved do not have an accessible Oath of Office because this is a cover up for the fact that the oath of office is between them and the IMF. The U.S. Judges and U.S. Attorneys are actually employees of the IMF and have expatriated out of the United States. They are now unregistered foreign agents under Title 22, which states all foreign agents must be registered. You, as a Judge or Attorney are not adhering to the codes which is hypocritical.

The court judgments are deposited with the IMF. Since this case obviously involves me, the living soul, beneficiary to the ALL CAPS TRUST, I have a drawings to all proceeds. See UCC 3 § 305 and UCC 3 § 306. The court judgments are monopolized according to Title 16, which is a violation of antitrust laws, and also unfair trade practices.

Indictments are True Bills, meaning they are negotiable instruments. The District Attorney failed to give me a 1099 OID showing me as the recipient of the funds, which is a fraud upon me. In my case, I have not been indicted, but still request a 1099 OID,

unless the court wishes to close this account. The unlawful funds, through fraud and deception, are deposited in the Federal Reserve Bank of New York and they have not paid the tax on this income. According to the Internal Revenue Code, this is a Title 26 § 7201 violation (willful failure to file with the intent to evade the tax). A copy of the Depository Resolution Agreement was not made available to me from the Clerk of the Court. The Clerk of the Court makes deposits into the Federal Reserve Bank of New York via electronic funds transfers (EFT's). The Clerk has a PMIA (Private Money Investment Account) which also has a government code. According to Clerks Praxis, the Clerk of the U.S. District Court is the Registrar in Admiralty. According to the IRS § 6209 Decoding Manual and the ADP (Automated Data Processing Manual), all 1099's are Class 5 gift and estate taxes. I am asking for a 1099 OID in this case, as I am not willing to gift you the proceeds. I am hereby asking for the proceeds in their entirety, including interest.

It is presumed by the creation of the birth certificate that my body and the labor therefrom is pledged to the State. This is patently absurd as this unilateral, quasi-contract is lacking full disclosure to the parents and babies still in their cribs. I have never, nor will ever, pledge my rights nor my body, any labor thereof, nor any creation therefrom to any gifting program, including any court or court process. I am not a charitable organization. I demand all funds from the case be sent to me within 30 days or I will file complaints to the IRS and SEC explaining the fraud and theft committed upon me, and issue a 1099 OID. I further demand that my name and my cestui que trust name, ALL CAPITALIZED NAME, be removed from any and all government databases indicating bad credit, commercial liens, and/or the titles of **criminal, felon, or debtor** be removed immediately and permanently NUNC PRO TUNC. I hereby request a copy of the Depository Resolution Agreement from the Clerk of the Court along with a W-9, which I have enclosed, from the Judge and the U.S. Attorney involved, if you wish to proceed with this case. I hereby notice the court that I am the Executor of the cestui que trust of the ALL CAPITALIZED NAME according to Title 26 § 303 and § 7701, companies, corporations, and associations and trusts are all decedents. This means my all capital letters name is a legal estate. May all capital letters name falls into this class. I direct all of the affairs and financial affairs of the ALL CAPITALIZED NAME, an Estate.

Sincerely,

CC:
